

CHARLES STURT CAMPUS SERVICES **LIMITED.**

VISION

Our vision is to be recognised for the provision of premium services to the University

MISSION

Our mission is to foster a highly skilled committed team, dedicated to providing effective service solutions to the University.

OUR COMMITMENT

Charles Sturt Campus Services Limited is committed to providing innovative solutions that align with the objectives of the University.

OUR VALUES

- To develop our processes and business relationships built on open and honest communication. We strive to understand the needs and expectations of internal and external clients
- To seek continued improvement in process and efficiency
- To be flexible, dependable and responsive to the needs of the University.
- To recognise the benefits in social values such as respect, tolerance and diversity.
- To engage our workforce by consulting, listening, coaching, and skilling.
- To acknowledge the company plays an important role in providing a positive experience for the university community.

OUR STRATEGIES

Charles Sturt Campus Services Limited will meet its service commitments by focusing on:

1. Develop and aim to adhere to service level agreements with the University in particular the division of Facilities Management and Residential life.

Establish forums to monitor and improve services.

2. Identify human resource gaps, skills gaps, and integrate occupational coaching and improved industrial relations tools

3. The pursuit of continual improvement and efficiency; by benchmarking performance, seeking feedback, and innovation in service delivery

4. Developing sleek administrative processes, policies and procedures that comply with University and government requirements, including timely and accurate reporting.

5. Promoting and heightening awareness in relation to Quality Assurance, Work Health & Safety and Environmental Sustainability

OUR MOTTO

Each person entering their office, classroom or university space; at the very most we want them to recognise our contribution to their environment, and at the very least carry on oblivious to what we really do.
