	Students may pay the 2011 Residential Fees in one of the following ways:
9.1	Pay the entire annual fee for the appropriate category rate of accommodation and package option on the first payment due date in March 2011.
9.2	Pay the accommodation fee on the due dates as outlined on the 2011 Residential Fees Schedule for the appropriate category and option you have chosen.
9.3	Request an extension via the online request form prior to the due dates as outlined on the 2011 Residential Fees Schedule .

Section 10 - DEFAULT OF RESIDENTIAL PAYMENTS – Final Notice Charge

10.1	Students may request an extension via the online request form prior to the due dates.
10.2	If payment is not made or an extension requested by the due date the student will be charged a Final Notice Charge of \$100.
10.3	Residents that neglect to make payment or request an extension by the due dates will be required to vacate the Halls of Residence.

Students are advised that they may start making payments towards their accommodation fees from January 2011 using any of the **payment methods** on offer by CSU. By making early payment, this places students in a position of advance payment to the "last date to pay" date and reduces their risk of incurring a \$100 Final Notice Charge.

ALL CSU students may view their financial balances page. This can be accessed from their 'my.csu' page and clicking on the 'Quick Links' box on the lower left hand corner of the page, selecting 'Personal Info' and finally the 'Financial Balances' link.
