

Accessing building photos from FMCentral

1. Log into [FMCentral](#) and select 'Map Enquiry' or 'Room Enquiry'.
2. Navigate to the campus or building that you wish to see photos for.
3. In Map Enquiry a photo will be displayed in the right hand Information Panel (see image to right).
4. Click on the photo to display a larger image in the Photo Viewer. You will also see other photos that are available. From this application you can also save the image.

Please note: Room photos are also available for some rooms.

The screenshot displays the FMCentral interface for a building. At the top right is a 'Log Out' link. Below it are tabs for 'Site', 'Building Floor', and 'Building'. The 'Building' tab is active, showing 'Facilities Management' and an 'Edit Details' button. The site is identified as 'Wagga Wagga Campus'. The 'Building Information' section includes: Building Number: 0440, Building Name: Facilities Management, Building Use: OFFICE - ADMINISTRATION, Number of Floors: 1, Building Status: Active, and Owned By: CSU. The 'Asset Information' section shows Construction type: BRICK and Heritage Building: X. The 'Space Information' section lists: Total Room Area: 304.18, Usable Floor Area: 168.08, Fully Enclosed Covered Area: 274.91, Unenclosed Covered Area: 1.15, and Gross Floor Area: 276.06. Below this is a photo of a brick building. At the bottom, the 'Building Links' section contains links for 'Building Emergency Plan' and 'Hazardous Materials Register'.
