

The CSU Sustainability Advisory Group is calling for Student Representatives!

Are you interested in the **environment** and **sustainability**?

Would you like to **have your voice heard**, and help create a more sustainable campus?

Are you seeking **experience** in a senior management committee to include on your resume?

If you answered YES, then apply now
to be a part of the CSU Sustainability Advisory Group!

What will I do as a member of the Sustainability Advisory Group?

Members are asked to:

- ◆ Attend the Sustainability Advisory Group meetings, held four times a year;
- ◆ Provide ideas, feedback and suggestions regarding sustainability priorities and policies at CSU;
- ◆ Help drive engagement in sustainability across all CSU Faculties and Divisions; and
- ◆ Commit to help make CSU more sustainable!

I'm keen! How do I sign up?
