| 10.2 | If payment is not made or an extension requested by the due date the student will be charged a Final Notice Charge of \$100. |
| 10.3 | Residents that neglect to make payment or request an extension by the due dates will be required to vacate the Halls of Residence. |

Students are advised that they may start making payments towards their accommodation fees from January 2012 using any of the **payment methods** on offer by CSU. By making early payment, this places students in a position of advance payment to the “last date to pay” date and reduces their risk of incurring a \$100 Final Notice Charge.

ALL CSU students may view their financial balances page. This can be accessed from my.csu and clicking on the 'Quick Links' box on the lower left hand corner of the page, selecting 'Personal Info' and finally the 'Financial Balances' link.
