

Friday, 7 October 2011

If you have been made an Offer of Place, you must make payment of the 2012 Application Fee by **4:00pm, Thursday 20 October 2011 to accept the offer.**

*Note: If payment is not received as instructed, your offer of room will be cancelled and the room will be made open to applicants on the waiting list and late applicants.*

Payment of the Application Fee can be made to the University Cashier, Bpay or via the University's secure payment website. **Note:** Residential rebates for 2011 have been credited to student's accounts for those that are eligible. This rebate can go towards payment of the Application Fee if your account is in credit, however if you DO NOT wish to accept your Offer of Place, please advise Student Central prior to 4:00pm, Thursday 20 October 2011 and your offer will be cancelled and the full residential rebate will be refunded.

*Some students may have been made an Offer of Place but still have outstanding accommodation charges. A condition on the offer of a room, requires all outstanding monies on your account being paid prior to 4:00pm, Thursday 20 October 2011. This condition, along with the Application Fee payment, must be met before the room offer will be finalised. Failure to do so will result in the room offer for 2012 being withdrawn and the student will need to re-apply with their new application being placed at the bottom of the waiting list.*

### Waiting List

If you have not been made an Offer of place and appear on the Waiting List, we will contact you via telephone or email if a place becomes available. Students on the waiting list are advised to contact Student Central for the following:

- If you no longer wish to remain on the waiting list and would like your name taken off the list.
- if you are willing to accept other preferences of accommodation (this may increase your chances of gaining a room)
