

7 December 2011

Refurbishment works - building C04, Bathurst campus

Refurbishment works on building C04 will commence on the 7 December 2011 with the establishment of site fencing around the southern (S9) and western (W4) sides of C4.

Access to the worksite is not permitted. The car parks next to S9 (old boiler house) will not be available during the works.

Access to the offices and toilet facilities in C4 is available from the main entry off the Library lawn near C5 (Coop Bookshop). The works are to be undertaken over the next few months.

Worksite area and C4 access plan
