

University Medal

The award of an undergraduate University Medal is the highest honour that the Council can confer on undergraduate students of the University.

The University Medal is awarded to appropriate graduands who are either graduating with Honours Class 1 from an undergraduate honours course or with distinction from any specialisation in an undergraduate degree.

Recipients of the University Medal are selected by the University Medals Committee following consideration of a shortlist of nominations for the award that are submitted to the Committee by each Faculty.

The academic policy pertaining to the awarding of the University Medal are contained in the Graduation Policy which is located in the [University Policy Library](#).

Graduates who have been awarded a Charles Sturt University Medal are listed below:
