### 1. Admission criteria

Applicants

- ❖ should hold a degree which includes a three-year major in psychology accredited by the Australian Psychology Accreditation Council (APAC) completed within the last ten years
- ❖ must have completed PSY301 Advanced Research Methods and Statistics in Psychology, or its equivalent; and
- ❖ must have grades of credit average or better in level 2 and 3 APAC accredited psychology subjects.

### 2. Psychology Major

Applicants must provide evidence that the qualification that they have completed contains an Australian Psychology Accreditation Council (APAC) accredited major in Psychology.

This can be done by providing a letter from your institution of study confirming that the course you have completed contains an APAC accredited major and that you are eligible to apply for fourth year programs.

My qualifications include an APAC accredited major in Psychology:  Yes  No

*A certified copy of your academic transcript(s) MUST be enclosed. If you do not fulfil the above criteria, please note that you are not eligible for consideration for admission to this course.*
