

## Importing questions from other Interact sites

You are able to import question pools directly from other Interact sites that you have ownership rights for. To do this you need to be in the “Question Pools” section of the subject you wish to import the questions into.

Once there, click on “import”.

TEST CENTRE

Question Pools

Add Pool Combine Delete Import

Pool	Description	Questions	Points	Difficulty	Edit
Quiz 2: The Moon		7	0.0	3	
Sample pool	This is my test pool	21	5.0	3	
aaa		0	5.0	3	
moodle1-5tester (imported May 9, 2011 9:51:50 AM)		7	34.33	3	

You will see the list of import options open up. You need to select the “Import from AT&S” option.

Import

Paste Questions & Import

Import a question pool from text you paste in.

Choose this option to import pools from other sites

Import from AT&S

Import one or more AT&S assessments from one of your sites.

Import Pools from T&Q

Import one or more question pools from Tests & Quizzes into this site.

Import Assessments as Pools from T&Q

Import one or more T&Q tests as pools from one of your sites into this site.

Import from Assignments

Import one or more assignments from one of your sites.

Return

Once you have done that you will be asked to choose which site you want to import the question pool from. Click on the appropriate site and then select “OK”.

**Import pools from T&Q assessments**

Select a site for import

- CSU Choir
- EDM in CP
- EEL406 200770 W D

You will then be asked to select which question pool – or pools – you wish to import. You do this by clicking the checkbox on the left hand side of the pool. When you have finished selecting pools you click the “OK” button, and the pools you have selected will be imported into your site.
