### → Not sure where to find resources for your study?

**Subject Support** provides a step-by-step guide to finding resources for your assignments. It includes short tutorials on analysing your topic, and searching for books, journal articles and websites. Subject Support also provides links to resources on referencing your assignment, avoiding plagiarism, useful statistics and the latest subject news - visit [www.csu.edu.au/division/library/find-info/subject/](http://www.csu.edu.au/division/library/find-info/subject/)

### → Read entire books – online!

CSU students have **free access** to thousands of online books on a wide range of topics – you can search for these books at [www.csu.edu.au/division/library/find-info/ebooks/index.html](http://www.csu.edu.au/division/library/find-info/ebooks/index.html)

### → Find thousands of journals – online!

CSU Library has **over 40,000 online journals** that you can access to research your subject – start your search at [www.csu.edu.au/division/library/find-info/databases/](http://www.csu.edu.au/division/library/find-info/databases/)

### → Online reference brings information to your fingertips.

Use **Online Reference** to find links to statistics, encyclopaedias, industry regulations, dictionaries, atlases, images, telephone directories and much more – visit [www.csu.edu.au/division/library/find-info/links/](http://www.csu.edu.au/division/library/find-info/links/)

## → Search the Library catalogue anytime, day or night.

Use the **Library Catalogue** to find resources such as ebooks (electronic books), online journals, great internet resources and hundreds of online reserve items – to start, visit [www.csu.edu.au/division/library/](http://www.csu.edu.au/division/library/)

## → Access book chapters and journal articles, no matter where you are.

You can request **free copies** of book chapters or journal articles to be emailed to your desktop. Use the **request a photocopy** option in the Library catalogue to ask for a chapter or article to be sent to you.

## → Find extra readings for your course.

CSU Library's **eReserve** collection contains online readings that support some course subjects. Search the Library Catalogue by your subject code (e.g., BUS101) to find relevant readings.

## → Online assistance, whenever you need it.
