Tell us what you think

At CSU we value your opinion and want to know what you think about the Guide to Learning. Past students' experiences have shaped this guide, and we'd like your feedback to improve the guide in the future.

To provide us with feedback, please take a few minutes to complete the online form below. Your feedback will be anonymous and not used for any other purpose than to improve the Guide.

Contact Details Email Address:

Your email identification is only necessary for collating feedback . Questions 1. How did you become aware of the Guide to Learning website?

Other

2. Were the topics in the Guide to Learning web site relevant to you? 4. How did you find the essential and recommended activities within the topics?

5. Did you utilise the Hotline number to access further assistance from staff or a student mentor? 6. Did you utilise the downloadable version for any of the topics?

7. Are there further topics you would like to see included in the Guide to Learning web site?

8. Any other comments about the website:
