**Personal well-being and safety.**

Compulsory Seminar

Presenter: Jenny Ryan G.W.A.H.S.

**Scholarship Application Workshop**

Planning to apply for a scholarship? Not sure what’s involved in completing an application? Then this session is for you.

**Orientation websites**

At CSU, we appreciate that your decision to study at tertiary level is a big commitment. Two important CSU orientation websites specifically designed to support students in their first year of studies are provided below. All students are urged to become thoroughly familiar with these websites and to make a point of re-visiting them regularly throughout the course of their study.

Guide to Learning at CSU <http://www.csu.edu.au/division/studserv/guide>

Student Life at CSU <http://www.csu.edu.au/student/life>

**Dubbo Students Forum**

Dubbo Students Forum is an online forum for all Dubbo campus students, and also includes CSU students studying by distance education who are residents of Dubbo or surrounding towns. Please add yourself to this very active forum as soon as possible, and begin contributing to the Dubbo campus learning community.

Navigate to [http://forums.csu.edu.au/perl/forums.pl?forum\\_id=Dubbo\\_Students3\\_forum&task](http://forums.csu.edu.au/perl/forums.pl?forum_id=Dubbo_Students3_forum&task) and follow online prompts to add yourself to the forum.

## *Session Overview for Orientation Week 2009*

<u><i>B Nursing Course Information Sessions</i></u>	<u><i>B Education Course Information Sessions</i></u>
<u><i>B Business Course Information Sessions</i></u>	<p style="text-align: center;"><u><i>HECS Sessions</i></u></p> <p>The session is designed to give you an overview over the most important aspects of HECS – the Higher Education Contribution Scheme: who has access to HECS, the HECS fee structure and the fees for 2009. You will learn about the different payment options available and receive assistance in completing the mandatory HECS-HELP form. In return for the completed HECS form you will receive your CSU student card.</p>
<p style="text-align: center;"><u><i>Library on your desktop</i></u></p> <p>An introduction to the services offered by Charles Sturt University Library for our Dubbo students. This session focuses on our online services and resources. You will be shown how to navigate the Library website, including; where to find information for your assignments, the basics on how to use the Library Catalogue to find and request books and how to locate and use the many help and instructional features you will find on the Library website.</p>	<u><i>Personal Wellbeing &amp; Safety Sessions</i></u>
<u><i>Links to Success Sessions</i></u>	<p style="text-align: center;"><u><i>Networking Sessions</i></u></p> <p>To meet and greet, CSU Staff and other students with similar travelling and family commitments.</p>
<p style="text-align: center;"><u><i>Course Enrolment Sessions</i></u></p> <p>This presentation covers the most important student administration issues. You will learn how and when to enrol and how to check and change your enrolment online. You will find out about CSU's Student Liaison Officers and when you should contact them. Finally, you will receive useful information about your ebox and your transcript, about important dates and deadlines and some university rules and regulations.</p>	<p style="text-align: center;"><u><i>Scholarship Workshops</i></u></p> <p>This workshop is an introduction to scholarships and grants available at CSU. CSU offers a wide range of needs-based and merit-based scholarships and different travel and equity grants. The session focuses on the Charles Sturt Foundation Scholarships Program. You will learn which of the scholarships you are eligible for and how the application process looks like. Attendance is strongly recommended since 2009 applications for commencing students close on Monday, 23 February 09.</p>
