Mapping the Territory

NSW Australian Collaborative Education Network Symposium 07

ACEN NSW invites you to participate in the **Symposium 07** *Mapping the Territory*. The symposium provides collaborative education practitioners with the opportunity to showcase successful practice, learn about relevant grants and awards, engage in workshops and network with practitioners and academics from NSW Universities.

Guest Speakers include:

Janice Orrell, Director Carrick Institute

Symposium Showcase:

Provides practitioners and academics with the opportunity to share their successful case studies and 'map the territory'.

Contributions:

To present your case study in the Symposium Showcase please provide a 100-300 word summary of your intended presentation to acensymposium@eng.uts.edu.au by Aug 11.

Workshop Program:

Concurrent workshops will provide a forum for discussion and engagement on key areas of collaborative education such as:

- Defining the terms
- Where to place the placement
- What do we want from cooperative employment
- Stakeholder gains and development
- Assessment in cooperative education

Symposium Cost: \$50 (plus GST) including lunch.

Registration payments can be made used using the Ipay service.
