TERTIARY EDUCATION

- 1995 - 2003 PhD (Communication Disorders), Faculty of Health Sciences,
University of Sydney.
- 1995 Qualitative Research Methods, University of Sydney.
Result: High Distinction.
- 1988 - 1992 Bachelor of Applied Science (Speech Pathology) with Class 1 Honours
and University Medal.
- 1986 Introductory Psychology, University of New England.
Result: High Distinction.

AWARDS, PRIZES & SCHOLARSHIPS

- 2002 Vice Chancellor's Award for Teaching Excellence (Team Award)
Charles Sturt University.
- 1998 Burniston-Cumberland Foundation Fellowship.
- March 1995 - Australian Postgraduate Association Scholarship with Stipend.
Sept. 1998
- 1995 - 1997 Faculty of Health Sciences Scholarship.
- 1993 University Medal, University of Sydney.
- 1991 Private Speech Pathologists' Association of New South Wales Prize for
Clinical Proficiency.

MEMBERSHIPS OF PROFESSIONAL ASSOCIATIONS

- | | |
|--|----------------|
| Speech Pathology Association of Australia | 1991 - current |
| American Association of Speech – Language-Hearing | 1996 - current |
| Services for Australian Rural & Remote Allied Health (SARRAH) | 1996 - current |
| Registered with the Queensland Speech Pathology Registration Board | 1998 - 2000 |

EMPLOYMENT HISTORY

- Jan. 2000 – current Lecturer Level B,
School of Community Health, Charles Sturt University.
- Sept. 1993 – Dec. 1999 Speech Pathologist, Casual, Southern Area Health Service.
- August 1999 Casual marking of assignments for the stuttering course at Canterbury University, Christchurch, New Zealand.
- April 1999 - June 1999 Guest Teacher, Australian Stuttering Research Centre, The University of Sydney. Duties incl.:
- Joint teaching of the speech pathology undergraduate courses in stuttering at Charles Sturt University, Albury and Canterbury University, Christchurch, New Zealand;
 - Setting of student assessments;
 - Involvement in the on-going review of the content and delivery of the undergraduate stuttering course offered to other universities, including the analysis of student evaluations of the course.
- 1993 – 1995 Research Officer, Casual, School of Communication Disorders, The University of Sydney. Duties incl.:
- Development of protocols for assessment of children's speech and language development;
 - Training of students and research assistants in assessment and analysis procedures;
 - Supervision of student clinicians in the field;
 - Liaison with staff at fieldwork sites;
 - Collating data and reporting.
- Jan. 1992 – Aug. 1992 Research Assistant, Part Time, Stuttering Research & Treatment Centre, The University of Sydney. Duties incl.:
- Provision of Lidcombe Program treatments to research subjects;
 - Parent training;
 - Data collection;
 - Liaison with researchers.
- Jan. 1992 – May 1992 Research Assistant, Casual, Hearing & Speech Clinic, The University of Sydney. Duties incl.:
- Phonetic transcription and computer analysis of speech samples.
- 1986 – 1988 Clerk, MLC Life, Sydney.
- 1983 – 1986 Clerk, The Council of the City of Sydney.

INVITED TEACHING

- June 2004 – July 2004 Visiting professor, Physiotherapy Department, Fiji School of Medicine, teaching basic knowledge and skills for speech, language and swallowing rehabilitation to physiotherapy staff and students, who are the sole professional rehabilitation providers in the South Pacific Island health care systems.
- Feb. 2000 – May 2000 Casual teaching, Phonetics component of SPH101, Speech Pathology program, Charles Sturt University.
- April 1999 Team teaching of the speech pathology undergraduate course in stuttering at Charles Sturt University, Albury.
- April 1999 Team teaching of the speech pathology undergraduate course in stuttering at Canterbury University, Christchurch, New Zealand.
- 1995, 1996 Guest lecturer on speech and language development, Illawarra College of TAFE (Moruya campus).

CONSULTANCIES

- 2004 For Fiji School of Medicine. The brief was to produce a report outlining sustainable speech pathology input into the undergraduate Physiotherapy program of FSM.

GRANT FUNDING

Year	Amount	Duration	Source of Support	Investigators	My Role
2006	\$5.5m, incl associated infrastructure block grant	5 years	National Health & Medical Research Council Program Grant	Prof M. Onslow, Prof R. Menzies, Assoc Prof A. Packman, & a team of PIs	Principal Inv
2004	\$14,000	1 year	Community of Scholars Grant, Charles Sturt University	Assoc Prof L. McAllister, Dr L. Wilson, Dr R. Beecham, L. Clark	Assoc Inv
2003	\$9,180	1 year	Community of Scholars Grant, Charles Sturt University	Assoc Prof L. McAllister, Dr L. Wilson, Dr R. Beecham, L. Clark	Assoc Inv
2001	\$206,295	3 years	National Health & Medical Research Council Project Grant	Assoc Prof M. Onslow, Dr A. Packman, L. Wilson	Assoc Inv in 2001
2001	\$3,000	1 year	Charles Sturt University Seed Grant	L. Wilson, L. Clark	Chief Inv
2001	\$3,000	1 year	Charles Sturt University Seed Grant	L. Clark, L. Wilson	Assoc Inv
2000	\$2,500	1 year	Speech Pathology Australia Research Grant	L. Wilson, Dr S. McLeod, Dr L. McAllister	Chief Inv

RESEARCH STUDENT SUPERVISION

Research Student	Year of Commencement	Level	My Role	Topic	Status
Sandra van Dort	2006	PhD	Assoc Supervisor	Community Based Rehabilitation for Increasing Service Availability in Malaysia	In Progress
Anna O'Callaghan	2006	PhD	Assoc Supervisor	Speech Pathology Services for Rural People with Traumatic Brain Injury	In Progress
Kate Boyce	2005	PhD	Assoc Supervisor	Equitability and Accessibility of Speech Pathology and Related Services for Children and Families in a Rural Town. . .	In Progress
Michelle Smith-Tamaray	2003	PhD	Primary Supervisor	Speech Pathology Assessment of Dysphagia Following Acute Stroke: An Investigation of Non-Metropolitan Clinical Practice in New South Wales & Victoria	In Progress
Alison Buchtman	2006	Bach Hons	Primary Supervisor	Relative Efficiency of the Lidcombe Program When Delivered Weekly vs Fortnightly	In Progress
Rebecca Robertson	2006	Bach Hons	Primary Supervisor	A Replication of Time Out for the Treatment of Adults who Stutter	Discontinued
Anthea Andrighetto	2005	Bach Hons	Primary Supervisor	The Effects of Increased Cognitive Load on Language Complexity & Fluency: A Comparison Between People Who Do and Do Not Stutter	In Progress

Research Student	Year of Commencement	Level	My Role	Topic	Status
Elizabeth Malone	2004	Bach Hons	Primary Supervisor	Comparing Parents' Reports of Family History of Stuttering	Completed Class 1
Carolyn Dunkley	2003	Bach Hons	Primary Supervisor	Rural New South Wales Speech Pathologists' Access to and Attitudes Toward Information Technology & Telecommunications	Completed Class 2, Div 1
Lydelle Pattie	2003	Bach Hons	Assoc Supervisor	Information Technology & Telecommunications for Speech Pathology in Rural New South Wales: Are they Accessible and Acceptable to Consumers?	Completed Class 1
Anna O'Callaghan	2002	Bach Hons	Assoc Supervisor	The Perceived Needs and Barriers Isolated Families Experience When Accessing Speech Pathology Services in Rural and Remote New South Wales	Completed Class 1
Jane McCormack	2001	Bach Hons	Primary Supervisor	Treatments for School-Aged Children who Stutter: Current Practice vs Evidence Based Practice	Completed Class 1
Simone Griffin	2000	Bach Hons	Primary Supervisor	The efficiency of Automatic Speech Recognition vs Manual Transcription of Spoken Language	Completed Class 1
Hema Desai	2000	Bach Hons	Assoc Supervisor	A Study of Vocabulary in 2-Year-Old Australian Children	Completed Class 1

Other

Wilson, L. (2004). *Speech Pathology Content in a Physiotherapy Curriculum*. A Report for the Physiotherapy Department, Fiji School of Medicine. Unpublished manuscript, Charles Sturt University, Albury, Australia.

McAllister, L., & Wilson, L. (1995). *Communication Status of Children Involved in Pilot Projects of the Parents as Teachers Programme: Final Report*. Report for the NSW Department of School Education Specific Focus Programs Directorate. Unpublished manuscript, School of Communication Disorders, Faculty of Health Sciences, University of Sydney.

McAllister, L., & Wilson, L. (1994). *Communication Status of Three Year Old Children Involved in 1994 Pilot Projects of the Parents as Teachers Programme: An Interim Report*. Report for the NSW Department of School Education Specific Focus Programs Directorate. Unpublished manuscript, School of Communication Disorders, Faculty of Health Sciences, University of Sydney.

McAllister, L., & Wilson, L. (1993). *Communication Status of Two Year Old Children Involved in Pilot Projects of the Parents as Teachers Programme*. Report for the NSW Department of School Education Curriculum & Quality Assurance Directorates. Unpublished manuscript, School of Communication Disorders, Faculty of Health Sciences, University of Sydney.

Wilson, L. (1992). *Phonological awareness and linguistic analysis skills of preschool children*. Unpublished Bachelor Honours thesis, University of Sydney.

CONFERENCE PAPERS & PRESENTATIONS

Beecham, R., Winkworth, A., Clark, L., Shanahan, L., Denton, M., McAllister, L., & Wilson, L. (2006, September). *Creating rural speech pathologists and rural speech pathology services: Using a partnership model to expand educational and service opportunities in rural NSW and Victoria*. Paper presented at the National SARRAH Conference, *Building Bridges, Crossing Borders*, Albury, NSW, Australia.

Dunkley, C., Pattie, L., McAllister, L., & Wilson, L. (2006, September). *A comparison of rural speech pathologists' and consumers' access and attitudes towards the use of information technology and telecommunications for speech pathology service delivery*. Paper presented at the National SARRAH Conference, *Building Bridges, Crossing Borders*, Albury, NSW, Australia.

Wilson, L., McAllister, L., Smith-Tamaray, M., & Shanahan, L. (2006, September). *A methodology for describing the availability and accessibility of allied health services*. Paper presented at the National SARRAH Conference, *Building Bridges, Crossing Borders*, Albury, NSW, Australia.

Wilson, L., McAllister, L., Atkinson, J., & Sefton, P. (2006, July). *Internet based telehealth in speech pathology: Results of preliminary trials*. Paper presented at the Second IASTED International Conference on Telehealth, Banff, Canada.

Wilson, L., Smith-Tamaray, M., McAllister, L., & Shanahan, L. (2006, May). *Availability and accessibility of speech pathology services for adults*. Paper presented at the 2006 Speech Pathology Australia National Conference, Fremantle, Australia.

Pattie, L., McAllister, L., & Wilson, L. (2005, May). *Technology for telehealth speech pathology: Availability and acceptability to consumers*. Paper presented at the Speech Pathology Australia National Conference, *Practicality and Impact: Making a Difference in the Real World*, Canberra, ACT, Australia.

McAllister, L., Wilson, L., Clark, L., McLeod, S., Beecham, R., & Shanahan, L. (2004, September). *Educating speech pathology graduates for the future: A non-medical curriculum*. Paper presented at the 26th World Congress of the International Association of Logopedics and Phoniatics, Brisbane, Australia.

O'Callaghan, A., McAllister, L., & Wilson, L. (2004, September). *The perceived needs and barriers experienced by isolated families when accessing speech pathology services in rural and remote New South Wales*. Paper presented at the 26th World Congress of the International Association of Logopedics and Phoniatics, Brisbane, Australia.

Smith-Tamaray, M., Wilson, L., McAllister, L., & Shanahan, L. (2004, September). *It's hard to swallow: A survey of adult acute speech pathology services*. Paper presented at the 26th World Congress of the International Association of Logopedics and Phoniatics, Brisbane, Australia.

Wilson, L., & McLeod, S. (2004, June). *Team teaching*. Invited workshop presented at the Tertiary Teaching Colloquium, Charles Sturt University, Bathurst, Australia.

McCormack, J., Wilson, L., & McAllister, L. (2003, May). *Treatments for school-aged children who stutter: Current practice versus evidence-based practice*. Paper presented at the National Conference of Speech Pathology Australia, Melbourne.

O'Callaghan, A., McAllister, L., & Wilson, L. (2003, May). *An investigation of rural speech pathology services from the perspective of health care consumers*. Paper presented at the National Conference of Speech Pathology Australia, Melbourne.

McAllister, L., Wilson, L., & Clark, L. (2002, May). *Evidence based practice: What sort of evidence and whose evidence counts?* Module presented at the Speech Pathology Australia National Conference, Alice Springs, Australia.

McLeod, S., Barbara, A., Wilson, L., & McAllister, L. (2002, May). *Reducing professional isolation via online chat*. Poster presented to the Fifth World Organisation of Family Doctors (WONCA) World Conference on Rural Health, Melbourne, Australia.

Wilson, L., Thompson, I., & McAllister, L. (2002, May). *Preparing speech pathologists for rural, community-based practice*. Paper presented at the annual national conference of Speech Pathology Australia, Alice Springs, Northern Territory.

Wilson, L. (2001, November). Invited to speak at the National Convention of the American Speech-Language-Hearing Association, New Orleans, USA.

Wilson, L., McLeod, S., McAllister, L., Thompson, I., & Clark, L. (2001, August). *Promoting rural and remote service delivery through a speech pathology curriculum*. Paper presented at the 2001 International Rural & Remote Allied Health Professionals Conference, Cairns, Australia.

Wilson, L., Onslow, M., & Lincoln, M., (2001, August). *Distance intervention for isolated preschool children who stutter*. Paper presented at the 2001 International Rural & Remote Allied Health Professionals Conference, Cairns, Australia.

Griffin, S., Wilson, L., Clark, L., & McLeod, S. (2001, May). *Speech pathology applications of automatic speech recognition technology*. Paper presented at the National Conference of Speech Pathology Australia, Melbourne.

McLeod, S., Wilson, L., McAllister, L., Thompson, I., & Clark, L. (2001, May). *Fieldwork education: Adult learning partnerships between students, clinical educators and lecturers*. Paper presented at the CELT Expo, Charles Sturt University, Bathurst, Australia.

Wilson, L., & Hewat, S. (2001, May). *Consuming research: A workshop for beginners*. Workshop presented at the National Conference of the Speech Pathology Association of Australia, Melbourne.

Wilson, L., & Sheepway, L. (2001, May). *Rural speech pathologists: Masters of innovation*. Module presented at the National Conference of the Speech Pathology Association of Australia, Melbourne.

Griffin, S., Wilson, L., Clark, L., & McLeod, S. (2000, December). *Speech pathology applications of automatic speech recognition technology*. Paper presented at the Eighth Australian International Conference on Speech Science and Technology, Canberra, Australia.

McLeod, S., McAllister, L., Clark, L., Wilson, L., & Thompson, I. (2000, December). *From saplings to trees: Nurturing the transition from pedagogy to andragogy during the first year at university*. Paper Presented at the CELT Learning and Teaching Forum, Charles Sturt University, Albury, Australia.

Cream, A., & Wilson, L. (2000, May). *Stuttering*. Module presented at the National Conference of Speech Pathology Australia, Glenelg, South Australia.

Wilson, L., Harrison, E., & Onslow, M. (1998, October). *Distance intervention for early stuttering: A case study*. Miniposter presentation at the Inaugural Research Conference of the College of Health Sciences, The University of Sydney, Australia.

Hewat, S., & Wilson, L. (1998, May). *Balancing the quality and efficiency of a service*. Paper presented at the Speech Pathology Australia Conference, Fremantle, Western Australia.

Hewat, S., & Wilson, L. (1998, May). *Efficiency, quality and research: Empowering speech pathologists*. Module presented at the Speech Pathology Australia Conference, Fremantle, Western Australia.

Wilson, L., Onslow, M., Lincoln, M., & Harrison, E. (1998, May). *Distance intervention for preschool children who stutter*. Paper presented at the Speech Pathology Australia Conference, Fremantle, Western Australia.

Lincoln, M., & Wilson, L. (1996, October). *Trouble shooting the Lidcombe Program*. Workshop presented at the Speech Pathology Australia Rural Symposium, Batemans Bay, New South Wales.

Lincoln, M., Onslow, M., Lewis, C., & Wilson, L. (1993, May). *Parent administered response contingent stimulation: A treatment technique for school-aged children who stutter*. Paper presented at the Australian Association of Speech and Hearing Conference, Darwin, Northern Territory.

OTHER PROFESSIONAL ACTIVITY

Invited Member of the International Conference Committee for the IASTED Telehealth 2006 Conference.

Member of the Faculty Research Committee, Faculty of Health Studies, Charles Sturt University, September 2003 – October 2004.

Member of the School Research Committee, School of Community Health, Charles Sturt University, April 2004 – October 2004.

University Accreditor for Speech Pathology Australia, 2000 – 2004.

Grant Application Consultant for The University of Sydney, 2003.

Invited Reviewer, *International Journal of Language and Communication Disorders*, 2003.

Invited Reviewer, *ACQuiring Knowledge in Speech, Language and Hearing*, 2002.

Member of the Clinical Research Starter Kit Taskgroup, 2001 to 2002.

Scientific Affairs Portfolio Co-Leader, NSW Branch of Speech Pathology Australia, 2001 to 2002.

Invited Reviewer, *ACQuiring Knowledge in Speech, Language and Hearing*, 2001.

Reviewer for the 1999 Speech Pathology Australia Conference Proceedings.

Member of Rural and Remote Task Group of Speech Pathology Australia, 1996 to 1998.

Member of Information Technology Task Group of Speech Pathology Australia, 1996 to 1997.

Committee Member of Bunyip Special Needs Group Inc., Eurobodalla, 1994 to 1998. Public Officer 1997 to 1998.

Convenor of the Rural Symposium for New South Wales Branch of Speech Pathology Australia, Batemans Bay, October 1996.
