

JOBS, JOBS, JOBS!!

Do you want to live in Sydney?
Work next to million dollar views of the Sydney Harbour?
Be involved in a fast growing meat exporting company?

Look no further Mac - McDonald's Asia Pacific Consortium is looking for enthusiastic graduates to join our very fun team!

Mac is involved in the buying & transporting of meat patties to the McDonald's restaurants, as well as exporting to the US & Asia. Mac is also involved in many new and exciting projects such as the **"McDonald's Angus Burgers!"**

A couple of positions have been made available in the Logistics Department, for further details please call
Lynne Jackson (Logistics Manager)
(02) 8755 1800
