

THEATRE/MEDIA APPLICANTS

Bachelor of Communication (Theatre/Media)

AUDITION / INTERVIEW

Applicants for the Bachelor of Communication (Theatre/Media) course are required to attend an audition/interview to assist in the assessment of their application.

You will be required to:

1. Prepare and present two 2-3 minute audition pieces which are markedly different from each other in tone and style. These may be from existing plays, films, video scripts, poetry, or original pieces. One must be directly addressed to the audience; one as though the audience is not present.
2. Demonstrate any other skills and/or give evidence of background experience you may have, e.g. video, film, writing, singing, dancing, designing, drawing, painting, photography, circus skills, musical instrument/s, mime, knowledge of computer software and operating systems, etc. Bring examples.
3. Give a verbal outline of how you think this course will help you achieve your goals for the future.

Any video demonstration tapes must be in VHS, DVD or CD format. They should demonstrate your creative understanding and ability in using video (e.g. editing, storytelling, documenting etc) or other forms of digital media.

AUDITION / INTERVIEW TIMES

Please number in order of preference. The audition/interview process is likely to take about three hours.

We would prefer that you visit Charles Sturt University to inspect the facilities and the type of lifestyle that Bathurst offers. However, for those applicants who are unable to attend the audition/interview at Bathurst, we will be holding a round of audition/interviews at a venue in Sydney, during mid-November. There will be Saturday audition/interview sessions in both Sydney and Bathurst for those who work.

PLEASE NOTE: Unless you are notified otherwise, please attend at the time of your **first** choice. On the interview form (over) please complete the tear-off **receipt**, and keep for easy reference. If you include an email address on this form we will send you confirmation of your interview time.

Complete the Interview form (over) and return by **13 November 2009** to:

Wendy Merton
