

Application for CSU Student Identification Card

All students are issued with a CSU Card, incorporating the latest technology in video imaging and computer printing. The card is a Smart card, with an image of your colour photo embedded. It will also serve as a library card, examination identification card and gain you entry to computer labs and buildings (including residences). CSU Cards are valid for the duration of your course. Further information about your CSU Card is available at <http://www.csu.edu.au/csu-card/home>.

If you have an existing CSU Card issued before 2008 it will need to be updated as it will not have the appropriate technology embedded. For students other than Policing students, your CSU Card issued after 2008 will be current. **NB: All Policing students** must apply for a new CSU Card irrespective of the original date of issue.

Do NOT use this form if you need a Replacement card. If your card is damaged, lost or stolen you can apply for a replacement CSU CARD online at <http://www.csu.edu.au/division/student-admin/current/online.htm>. The appropriate fee needs to be paid when ordering a replacement card.
