Admission criteria

[CSU Admission Policy](#)

Master of Project Management

For entry to the Master of Project Management, applicants are required to have an undergraduate degree from a recognised Australian tertiary institution (or equivalent) and appropriate work experience. Applicants without a tertiary qualification may be admitted to the Graduate Certificate in Project Management on the basis of professional attainment and/or work experience. Upon successful completion of the Graduate Certificate, students will then be eligible for admission to the Master of Project Management and receive credit for applicable subjects.

Graduate Diploma of Project Management

Applicants without a tertiary qualification may be admitted to the Graduate Diploma of Project Management on the basis of professional attainment and/or work experience. Upon

successful completion of the Graduate Diploma, students will then be eligible for admission to the Master of Project Management and receive credit for applicable subjects.

Graduate Certificate in Project Management

Applicants without a tertiary qualification may be admitted to the Graduate Certificate in Project Management on the basis of professional attainment and/or work experience.
