

STUDY LINK Calendar

The STUDY LINK program is run throughout the year, providing the greatest flexibility for completing the STUDY LINK subjects that are on offer.

Experience shows that it is often difficult to time-manage the completion of STUDY LINK subjects at the same time as undertaking a degree subject. It is therefore highly recommended that you enrol in a study session that allows you to either complete your STUDY LINK subject **before** you commence your degree studies, **or** during one of the study session breaks. Use the following STUDY LINK calendar to help you choose an appropriate study session to enrol in STUDY LINK.
