Welcome to O-Week 2011!

This program contains all the essentials to help you find your feet during your first week at CSU. The program is designed to have all your academic requirements complete and throw in a bit of fun so you are ready to hit the ground running.

Starting at University can be a massive culture change, so if you are feeling a little out of your depth or just have a question that you can’t find the answer too there will be O Week Leaders, the guys in blue shirts, around ready and willing to give you a hand. And don’t worry about thinking your question is too silly or not important, remember these guys were 1st years too, they know exactly how you are feeling!

If you are unable to attend any O Week activities, due to other commitments (e.g. Children in childcare, urgent employment commitments, travelling long distances, etc.), make sure you contact Student Central for advice or more information.

Student Central can be found in the Library or phone 1800 275 278 (1800 ASK CSU), website www.csu.edu.au/student/central or email: ask@csu.edu.au. To make sure you have all the information you need and are properly enrolled to your course and classes, students should attend all appropriate sessions during O Week.

Also, don’t forget to visit the http://my.csu.edu.au/perl/portal.pl web site and activate your login prior to O Week. This will make the week that little bit smoother!

Printable map: www.csu.edu.au/about/locations/wagga-wagga

There is a special free CSU Bus Service and timetable during O Week.

Information Tents will be located around the campus for students to get a program and directions from the O Week Leaders. The Social Events program can be found on last page.

Get ready to embark on your time at CSU, and remember –

Have Fun!
The University is made up of a range of Schools and each course is part of a particular school. At times the program outlines School based sessions you must attend, so make sure you check out which School you belong too!

**Off Campus Accommodation**

Students who need off campus accommodation will be assisted and supported in their search for suitable accommodation by visiting Student Central and accessing the Private Housing Register. This register includes details of private board, rooms to let, and flats and houses available to share. Visit the Off Campus Accommodation Listing for available accommodation options at: [www.csu.edu.au/division/studserv/stay/](http://www.csu.edu.au/division/studserv/stay/). Students can also visit the Off Campus Accommodation Forum at [my.csu](http://my.csu). This forum is where current students advertise share accommodation.
## What’s On

### Official Commencement Day of O-Week

**Official Welcome Ceremony**: will be taking place at Joyes Hall, which is on the Agricultural campus of the University. This ceremony will involve a welcome to country, welcomes from head of campus and heads of school.

**Student ID Cards**: Commencing students living off campus can collect their ID cards from Student Central today in the foyer of Joyes Hall until 11am and after 12pm at Student Central in the Library (Bldg 13).

**Parent’s Info Session**: An opportunity for parents, family members and those who are supporting someone about to commence study, to find out more about Charles Sturt University: tertiary expectations, administrative processes and study support.

**Market Day**: This is a relaxed event to provide students with information about student clubs, government agencies, community services and sporting groups and other services available to them within the community. There will also be music games & activities taking place.

**International Student Information Session**: This compulsory information session for commencing International students gives students important information about living in Australia, Student Visa regulations and work conditions and how to enrol and get your student ID card.

**Lunch**: A free lunch is being put on by Student Services and Rivcoll SRC for all commencing students. Please make your way to the lawn area outside the Dining Hall after the welcome ceremony to get your lunch and enjoy Market Day.

**Campus Tours**: Our friendly O Week Leaders will take you on a guided campus tour in small groups; this will help to know the layout of the campus and important things like where the class rooms are located, labs and lecturers’ offices, plus much more.

**Off Campus Students Information session**: If you are new to Wagga Wagga or a local student living off campus and want to make some new friends at CSU, you can meet fellow off campus students to help you settle in. O Week Leaders from the Faculties of Arts, Business, Education and Science will be there to advise students what to expect at CSU and what social activities are planned and how to get to them.

School & Course Sessions

Today is all about the School Information Sessions. These sessions include essential information about course structures, subject outlines and expectations. It is a chance to meet some of your lecturers and have some of your questions answered about what lies ahead for you. These sessions will also provide time for students and school staff to converse in a relaxed informal environment. A morning tea or a light lunch may also be provided to students by the schools.

*Students commencing Doctoral or Masters Courses should contact their School Office for information regarding their academic advisory sessions.*

Students in Animal and Veterinary Sciences are advised that their advisory session starts at 8:45am.

Students in Agriculture and Wines Sciences are advised that their advisory session starts at 8:30am.

Students in Communication and Creative Industries are advised that their advisory session starts at 9am.

Other Important Info

**Enrolment Assistance** – O Week Leaders will be available in the Computer Labs in Building 15 (Jack Cross Centre) from 2-4pm to help you navigate your way to checking enrolments.

**Student Central** – will be available from 9am-5pm, in Building 13 (Library) to help answer any general student enquiries and to hand out Student ID Cards

**Chill-Out Session** – from 3-5pm is a chance to take some time out, if you want something to do, student leaders will be on the grass area near Student residences with a range of sporting equipment.

Support Services

Today’s sessions are all about the extra support and services that are available to you whilst you study at CSU. These services are an essential part to your university experience. Being aware of these services and knowing how to make contact or access these services is an important part of the Orientation process and helping you to get off on the right foot from the start.

In the **Support Services session** you will get to know about Student Central, Student Services, IT & Library. Each division will briefly explain who they are, what they offer and how to access them. All really important stuff for you throughout your time here.

**Learning Skills and Rivcoll SRC** – Learning Skills Advisers will offer students an overview of the study expectations and different styles of academic writing that are required at CSU. Students will receive details concerning workshops to help them with their academic writing, and will be told where they can go for help with their studies. Rivcoll Student Representative Committee (SRC) is “Your Student Voice”. Students will meet representatives from the Rivcoll SRC and be presented with information about what Rivcoll SRC does, and where to find their student representatives.

**Health & Welfare** – RA’s and Health Promotion Officer (HPO) will deliver a brief information session on ‘Putting Youth in the Picture’ program that will be conducted throughout the year. Clips from the program that will be covered are ‘Don’t Drink and Drive’ and ‘Alcohol & Violence’. The HPO will also cover the Health Promotion Services website, where and how to find support services within the University and local campus community.

**Online environment** – This optional session will introduce students to my.csu, learning in an e-environment, online services, electronic communication, how to access IT facilities, online enrolment, training and support for students.

Other Important Info

**Student Central** will be available from 9am-5pm, in Building 13 (Library) to help answer any general student enquiries and to hand out **Student ID Cards**
