Student Engagement Forum

20-21st September, 2010
Wagga Convention Centre

How do we engage our students to best support their participation and success at CSU?

An exciting opportunity for CSU teachers, administrators and support staff to collectively consider your role in the CSU student experience.

The forum will provide theoretical and practical discussion of customised and responsive first year undergraduate curriculum to guide our future practice at CSU.

This forum is an outcome of the CSU Transition Project. Register at:
