Media Services

Our Vision

To focus on producing innovative, interactive and engaging, online and mobile enabled, learning and teaching resources, in support of CSU being a leader in practice-based and distance education.

Media Services works in collaboration with academic staff and Educational Designers (forming project teams) to provide consultation on appropriate and skilful use of technology and media, and to develop high end, sustainable, high quality, digital learning resources that are closely aligned with faculty priorities.

What we offer

Online and Interactive Resources
- Templated and custom web page design
- Web site content formatting and styling
- Responsive web design
- Mobile, Web App design and development
- PowerPoint to Captivate conversion
- Interactive PDFs and forms
- Creation of Adobe Captivate interactive resources (branching, quizzes and embedded audiovisual content)

Audiovisual Production
- Professional, studio and on location
- Audiovisual editing (existing and new)
- Video & Audio enhancement
- Photographic & Graphics enhancement
- Digital reproduction of hand-drawn graphs and images
- Adding titles including opening and closing credits

Professional Production Studios
- Our studios are based on the Bathurst and Wagga Wagga campuses
- Equipment and support is available for academic staff to create engaging resources
- Screen capture software, recording equipment and graphics tablets
- Bookings are essential. To book your space in the studio visit: http://www.csu.edu.au/division/student-learning/media-services
