Charles Sturt University

Faculty of Business Honours Courses

Information for Students

The Faculty of Business has developed a new and exciting support model for students wishing to pursue an honours degree. The honours degree is an additional end-on 4th year to your undergraduate degree. The degree focuses upon developing research skills and producing an honour dissertation on a research topic. Admission is open to full-time and part-time students and is available to those who have previously studied at Charles Sturt University and achieved at least a credit average or who have attained a similar qualification and standing from another University.

Research Topics

The staff of the Faculty have developed a series of research topics from which students can select to conduct their research. A list of topics is available as a separate document. Potential students may also elect to choose a topic of their own choice if it aligns with the interests and expertise of a member of academic staff. Information on staff can be found at the various school pages of the Faculty: [http://www.csu.edu.au/faculty/business/](http://www.csu.edu.au/faculty/business/)

Financial Support

There will be a number of scholarships allocated on a competitive basis to support students.
