Section 14 - Awards, Prizes and Traineeships

Awards and Prizes
Unless indicated to the contrary, all award and prize winners receive a certificate from the University in addition to a cheque for the value of the award or prize or in addition to some other benefit conferred by the award or prize. The value of an award or prize may change without notice.

All awards and prizes are presented annually although a particular award or prize may be withheld in a particular year if there is no candidate worthy of the award or prize or if it is not funded for that year.

Unless indicated to the contrary, students do not have to apply to be considered for an award or prize.

Awards and prizes won by graduating students are normally presented at graduation ceremonies, and those won by continuing students are normally presented at a ceremony held on the relevant campus. However, some professional bodies may wish to present their award or prize at their own function.

Further information about awards and prizes and enquiries from prospective sponsors should be directed to:
Academic Secretariat
Charles Sturt University
Panorama Avenue
Bathurst 2795
Telephone: (02) 6338 4247

The detailed regulations governing each award and prize is published on the Web at: www.csu.edu.au/handbook
