

Bathurst Campus - Site Specific Safety Information for Contractors

Contractor Sign-in: All Contractors must report to the Division of Facilities Management (DFM) Office to **sign-in** prior to commencing works on the Campus, and **sign out** prior to leaving the Campus. The Bathurst Campus DFM office is located in **Building 3017**. See map below.

Contractor identification: All contractors must wear in clear view their **CSU Contractor ID card** OR **CSU temporary identification**. This ID must be presented to authorised CSU Staff on request.

Restricted Areas: The Bathurst Campus contains a number of restricted areas that include laboratories, childcare facilities and other areas with access restrictions. **Prior to entry** to these areas, contractors must undertake a **specific induction** conducted by the **Faculty or Unit Staff**. Contact a DFM representative to arrange the induction and for access.

Please report all hazards, accidents or incidents to your DFM contact at the earliest opportunity
