Graduate Diploma of Midwifery

includes:

Graduate Diploma of Midwifery

The Graduate Diploma of Midwifery combines theory and practice in a hands-on course aimed at allowing registered nurses to remain in their own community as they work towards becoming qualified midwives eligible for registration with the Nursing and Midwifery Board of Australia (NMBA). Registered nurses are employed as midwifery students for the full duration of the Graduate Diploma of Midwifery while concurrently studying the theoretical component by distance education.

The course includes the following awards:

Graduate Diploma of Midwifery GradDipMidwifery

Course Study Modes and Locations

Graduate Diploma of Midwifery (4614MV)

Online - Wagga Wagga

Availability is subject to change, please verify prior to enrolment.

Normal course duration

Graduate Diploma of Midwifery

Full-time 1.0 years (2.0 sessions)

Part-time 2.0 years (4.0 sessions)

In exceptional circumstances a student may be employed in an accredited, partnering maternity unit 0.6FTE. This means their employment pattern is identical to 1FTE and 0.8 FTE students, except they require an extension to complete their Midwifery Practice subject.

Normal course duration is the effective period of time taken to complete a course when
studied Full-time (Full-time Equivalent: FTE). Students are advised to consult the Enrolment Pattern for the actual length of study. Not all courses are offered in Full-time mode.

**Admission criteria**

Students entering this course will need to meet the following criteria:

1. Registered Nurses wishing to achieve registration as a midwife: AHPRA Registration as a NurseContract with an approved, participating hospital as a student midwife for the duration of the course.
2. Registered Midwives wishing to upgrade their midwifery qualification: AHPRA Registration as a midwife

**Credit**

Registered midwives wishing to upgrade their qualifications are given 24 points credit. An additional 8 points credit is awarded to registered midwives who are the nominated midwifery facilitator in an accredited, partnering unit or who have additional qualifications or more than 5 years experience as a registered midwife.

Registered Nurses enrolling in the course receive no credit points on entry.

**Graduation requirements**

To graduate students must satisfactorily complete 64 points.

**Course Structure**

The majority of students are undertaking this course to enable them to be eligible to apply for registration as midwives. For these students the course consists of 64 points:

- MID441 Midwifery Studies 1
- MID442 Midwifery Studies 2
- MID452 Midwifery as Primary Health Care 1
- MID524 Challenges in Midwifery Practice
- MID525 Midwifery as Primary Health care 2
- and
- MID443 OR MID444 Midwifery Practice (24 points)

Registered Midwives may enrol in the course to upgrade their qualifications to a Graduate Diploma of Midwifery or Master of Midwifery. These students do not enrol in the Midwifery
Practice subject (MID443/MID444).

Registered Midwives in current practice who are enrolled in specified post-registration nursing degrees e.g. Master of Nursing may enrol in MID subjects as electives.
